25 Strong wind from behind. Go forward one cloud.

28 Bugs to eat! Feed. Move forward two clouds.

Cloud number 18

Before crossing to Africa, you must make a decision.

You can either:

Rest on a boat that will take you to the first cloud in Africa but you miss a turn to do this.

OR

Throw the dice and take a chance.

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Cloud number 23

There are two routes you can now take. If you throw a 1,2 or 3, you follow the numbers. This is the right way.

If you throw a 4, 5 or 6, you follow the letters because a strong wind has blown you off course. This is the wrong way and very dangerous!

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Card D

You are running out of food and water and feel ill. Move to cloud F.

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Card E

You rest in a desert village and find food and water. You can return to Cloud A.

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Card G

A strong wind blows you in the right direction. Go back to cloud C.

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Card I

You find an oasis with food and water. You rest and get strong. Go back to cloud C.

draw your own picture which should be on a (red / green or blue) card and which should be numbered / have the letter (number / letter) on the back.

Card J

Sadly, you have run out of food and water and you die. You can only watch from now on.
